We'll have everything you'll need to relax and enjoy the water, including a USCG licensed Captain, and even catered meals. We offer unlimited menu choices, that will be prepared while either under way or on anchor. You can swim, fish, and even soak it up in the hot tub, all while enjoying the beauty of the Land Between the Lakes national recreation area.

We offer hourly cruises aboard the luxury houseboat of your choice. Choose our 58' houseboat, for a smaller more intimate setting; or choose the 80' houseboat and bring along the entire office staff.

Parties of up to 40 people.
Advance reservations required.
